The GME® 2AEX Shield is an aluminum extruded shield with a slim, 2” wall that comes standard with a tough, T-6 knife edge and rugged top cap. Massive, extruded end members ensure strength. Available in lengths to 12-feet, it is sized for rubber-tired backhoes, and priced competitively.

**OPTIONS**

- Standard square-box tubing struts
- End loading struts
- 5" Schedule 80 pipe
- Screw-jack type struts
- Lifting eyes and bridle
- Pullbar
- No-knife edge
- Certified by a registered professional engineer to meet OSHA standards

**Standard Features Include Knife Edge and Top Cap!**
GME® 2AEX SHIELD

NOTE: 2AEX Boxes come standard with knife edge and protective top cap. Optional “no knife edge” panels are available.
